Fanfold or roll media

The CL-S400DT can handle fanfold tickets as well as standard roll media for labels or receipts.

Easy read LCD panel

The LCD panel allows quick and simple configuration and also flashes red when an error occurs quickly alerting the operator.

Environmentally friendly

From production and packaging to utilisation and recycling the CL-S400DT fulfills today's demand for green IT products. The integrated ENERGY STAR® power supply is one of the most efficient at managing power consumption.
